Whitney came back for this marvelous photo shoot and we couldn't be happier. She says she has not been shooting too many adult scenes, just lots of solo web camming. But today she was excited to get out of the her bedroom and go to somewhere sumptuous where she could get pampered by a make up artist and hair stylist. There was even a wardrobe girl, which is a luxury in this business. Coming out of the makeup room, she said she was ready to go. The huge smile on her face told us so, and we were ready for her.

I GET NAKED TO GET DRESSED AGAIN.

Her clothes are cute, her hair is perfect and her smile infectious. The entire crew watched as this little nymph glided over to her position by the off-white leather sofa. We watched as she ran her hand along the edge of it and could hardly wait for her to sit on it and begin to strip. The camera shutter starts to whiz and the lights pop. She moves sensually in between clicks and the photographer is telling her how great she looks and give small directions as to what to do with her hands, how far down to pull her panties, and the like. The actions stops so she can readjust. And we can, too!

Karina and Lena had gone out to a nearby restaurant for a bite to eat – but worked up an even bigger appetite – for each other. Karina confessed to Lena that she had a crush on her, but Lena seemed to already know that. Lena seemed a little shy and unsure about what to do, so the brunette beauty moved in with a soft kiss. Once that happened, Lena wanted more. The ensuing pussy play between the two of them heated up until each came many times.

SWEET PUSSY LOVING LICKING GIRLS

They licked, fingered and rubbed each other's pussies to their complete satisfaction. Then each returned the favor with some wet tongue action of their own. No area went untouched. Their ass got plenty of pleasure as well. These two took their friendship to a new level, as they brought out their special toys and used them on each other. With no man around or needed, it was dildos in pussies along with tongues on clits. Slowly they finished off with more wonderful climaxes.

A GUY NEEDS HIS REST OR SO I THOUGHT

Oftentimes, the weekend is the only time available to do what's needed around the house. I worked hard in the summer heat and was exhausted when I finally finished and came inside. I'd already been in bed for a couple of hours when the sheets shuffled and the mattress moved a bit. I woke enough to scoot over and make some room when I felt her hair fall on my bare shoulder and her breath come close to my ear. She nuzzled into my neck as she moved into the bed behind me. Her soft, warm hand started on my shoulder and caressed a winding path along my arm, around my chest and across my stomach. There was no doubt she wanted to start something, and even less doubt that I would gladly oblige.

Slowly, I turned to kiss Dani and she opened her mouth for me as if we hadn't kissed in years. Her tongue was hot and ferocious as she sucked a huge kiss right out of me. Alysia had stayed up with her longtime friend, drinking mojitos and making girl talk in our living room. I'd gone off to bed early – tired from renovating the garden shed and not terribly interested in their chatter. After I first settled in, I could still hear them jabbering away about everything and nothing, but they hadn't seen each other in a few months, so it was no surprise. I smiled as I drifted into a light sleep – glad that she's got such a friend.

Dani's friend is Gina, and they'd been friends since elementary school. She was there for Gina when she went through her divorce after only one year of marriage, and Gina was there for her while I was sent to London for six months to help set up the overseas office. They were as close as friends get – unconditional in their support for one another, but remarkably candid always. It was a friendship to envy. By now, the raging erection that was stuck in my twisted boxers

needed to be released, and I tried to use my free hand to pull the waistband aside. Alysia was having none of it, as she slid her leg over my stomach, moving her chest so that her boobs could get some mouth action. I cupped both and began to kiss and suck noisily. The moisture on her made pinching and rubbing her all the more erotic – obviously she was enjoying herself as I could feel her sexual heat hovering just over my stomach. My cock flexed uncontrollably, I was aching to penetrate her and fuck her in a primal way. I didn't quite realize how she was managing it at the

time, but I could feel her fingers grasping my shorts and pulling them away.

As I felt my cock being engulfed by fingers, it was clear there was no way these could be her hands; and there was only one other female in

the house! There was no light in the room at all, so I could not see exactly what was going on, but I could sense that Alysia's hands were on the bed up near my face and that Gina had both of her hands on my cock. The sensation of Gina's hands rubbing up and down my cock while a slippery pair of breasts were being fed to me was out of this world. I must have made an involuntary noise of some sort because the ladies both giggled. I reached up and rubbed Alysia's ass, my mind spinning at the thought of this actually happening. When Gina slowed her strokes and rubbed little circles around the head of my dick with her thumbs I arched my hips up a bit, pressing my stomach right into the wet pussy lips straddled over me. Alysia was breathing heavy, her slit was dripping wet and I was being held in place.

Soon Gina's boobs were sliding up my thighs as she positioned her mouth over the tip of my twitching cock. I felt her hot breath on me before her lips landed around the head, making

me growl into the breast flesh I was still sucking. How in the hell was I going to fuck the both of them? The tongue across the bottom of my shaft was dripping wet – and Gina was making the same kind of slurping noises I was making as her mouth engulfed me. She tilted

her head forward and bobbed up and down – running the head of my dick across the roof of her mouth as she moved. I felt Gina shuffle her hand, rolling it up across my belly, her knuckles down. Gina was rubbing her fingers into Alysia's moist slit - her best friend - right on top of me! The grinding that began made it almost impossible to keep a grasp on the wet tits I had in my mouth, so I leaned back and cupped them in my hands. Alysia leaned back as well, reaching behind her to grip Gina's wrist as Gina pushed her fingers across those slick pussy lips. Alysia's eyes were rolled back in her head and her thighs began to tremble in rhythm to Gina's massage.

Alysia moaned as the first wave of an orgasm began to climb. She gripped my ribs with her knees and pushed her hips back onto Gina's hand while I pinched and twisted her nipples harder and harder. Gina's mouth was off my cock while she watched the pussy she manipulated begin to convulse. I couldn't see what she was doing, but it felt like she was finger-fucking Alysia's pussy - fast and hard. I could feel Gina's hand bounce off of my body with each thrust and Alysia laid on top of me, pressing her chest onto mine, lifting her pussy into the air while squeezing her feet, thighs, knees and arms around me as she came hard. Gina slowed her hand and let it slide away and back onto my cock. Now her hand was wet with Alysia's cum and it only took a half dozen strokes, for me to be ready to pop.

Gina moved her mouth and hand in one slimy, sexy motion over my pulsing rod. My moaning made Gina to slide her mouth as far onto my dick as she could, cupping my balls as they tightened up. A couple more deep grunts and I launched several wads of jizz into her throat. I closed my eyes so hard as I came that I saw stars. Some of my cum slid back down out of her mouth and onto her hand and lips, as well as my cock and belly. Gina gathered some into her fingers and kept stroking me while she licked and sucked up the loose puddles of sperm. She put her mouth around me again as I began to soften and sucked lightly again, coaxing all of it from me.

I was still breathing deeply and trying to shake the stars out of my vision when Alysia slid off of

me and said, "Our guest is doing all the work – we're not being very good hosts." She leaned over to Gina, and the two of them started kissing. Long, slow, deep kissing. Their hands were laying across each other's hips and shoulders as their mouths seem to melt together. I got the

of her roundness and ended up with fingertips rubbing Gina's nipple slowly.

I rolled towards the two of them – they were still lost in a fog of intense kissing - and slid my hand down along Gina's side, her hip, the

SEEING THEM ONE ON TOP OF THE OTHER WAS FANTASTIC.

feeling this wasn't the first time they'd ever kissed one another. I raised myself up on one elbow and scooted aside as they laid down and continued their exquisite mouth dance. What a wonderful front-row seat I had, inches away as two gorgeous women lost themselves in intimate passion.

top of her thigh. She raised her knee up and towards me, parting her legs and exposing her sex to my hand. I let my fingers continue to wander over her thigh, her belly, lightly brushing her completely bald kitty. I rubbed my palm along her inner thigh, down to her ass and grabbed her cheek firmly. As I released

Alysia was on the other side of, but kind of on top as Gina lay on her back, and I got my first real look at Gina's naked body. Her chest was wonderfully plump and round – spectacular natural breasts topped with very small, fairly dark nipples, the contrast to Alysia's larger, paler nipples and medium sized tits was very erotic. Seeing them one on top of the other was fantastic. I could not be just a spectator any longer and I moved my hand across Alysia's back, along her side and onto Gina's boob – letting my palm drift over her skin lightly. My fingers pressed along the outlines

her ass, I kept my thumb in contact with her skin, sliding it onto her pussy lips as my fingers brushed her thigh. My thumb began to circle, moving her plump outer lips with it. I parted her and let just the tip slide along the open slit from top to bottom, then back up again. Her moisture was so warm and thick I began to imagine what it would feel like on my tongue.

We continued licking and fucking each other for what seemed to be an eternity. Exhausted, I finally fell asleep and left the two ladies to their own volitions. I needed sleep.

I thought I'd do something a little different with Melissa today. We were going to have cockless sex. Yes, I know it's going to be quite difficult to hold myself back but she was all willing to try. "Hey, as long as I get fucked, and if it's without your cock, that's okay by me." she said to me.

"Well, I'm ready." I told her as my hand slinks up her body to her bikini top. I pull at it until her nipples are exposed.

melissa

LET'S HAVE SOME WEIRD FUN TODAY.

i see they have been pierced. "Well, Melissa, that's new. When did you have that done?" Without missing a beat, she tells me it was about six months ago. I told her I loved it and gave them a tweak. Then I slid my hand back down her body and puled aside her bikini bottom. I could tell by her smile that she liked that. After a couple finger thrusts she gets up and offers me her butt. Who am I to ignore that, so I move my fingers to her buttthole and give it a poke. Then she says to me that she wants her vide. Who am I to say no.

DISCOVERING EACH OTHER

I initially met Beth a few years ago at a company retreat in the Ozarks. She had only been with the us for a year and was still learning her job. But she quickly fit into R&D and just recently got a promotion. At only twenty-three. I came to learn that she was a bit of a 'wunderkind' in high school and college. Last month she got married and there was a little office party for her. Her new husband worked in sales for another department at the company.

That's how they met. He'd bring our new products and show them. Beth was in charge of lab supplies for us, so she would meet with him every time he came in. They courted for almost a year and finally tied the knot. I'm in another department and didn't really know her that well, so I didn't go to the wedding. I heard it was nice.

It turns out that they purchased a large townhouse in the same complex I live in. I didn't know

this until I saw her one day in the clubroom. She was setting up a small party to watch the college playoffs. I happened to be walking through to go to the workout room. She was in a short blue party dress that showed off her long legs. We would pass each other in the hallways at the office and even had some joint meetings, but everything was strictly on a professional level. But that didn't stop us from giving welcoming smiles to each other every time we ran into each other. She mentioned that her husband was away for a couple weeks on calls in Austin and so she invited some friends to come by and watch the games with her.

She invited me to come. The games were on Friday and Saturday, and she had reserved the clubroom from noon to six for those two days. I said I'd love to, even though I wasn't a big football fan. She said she wasn't either, but she wanted to show her

husband that she had an interest in them since he was such a big fan. He even wrangled some tickets to a Longhorns game while he was there. We talked for a few more minutes and I headed off to do my workout, telling her, I'd love to come and maybe I could even help her set up, if she needed some. She smiled at me and shook my hand. Then went on with her setup.

The next day I went to the clubhouse at eleven, a little before her guests were to arrive. She said many were going to be as much as an hour late so we spoke about our jobs, life, men, etc. She asked me if I had a boyfriend since I wasn't wearing a wedding ring. I told her that I was gay, and she seemed surprised. I could sense a curiosity in her smile and a twinkle in her eyes. We smiled and continued talking. After a few more minutes, her smile turned sensual and she was looking at me differently. Then, in a hushed voice, she revealed that she had 'experimented' in college. You know... 'gay-for-a-day.'

Her guests started to arrive around

12:30, and by two they were all there. Three couples, Beth and me. We watched the games and ate and drank. The party ended as the last game clock wound down and the players were being interviewed. She gave me a big hug for helping and I could feel her full breasts against mine. The two of us cleaned up a little and headed back to our homes. It had been a great evening, and all I could do was think of her as I laid exhausted in my bed.

The next day was Saturday and the games started a little earlier. The same couples came and by now, we were all pretty boisterous. Today, the games ended about six and the mess was a little bigger. We decided we were both pretty tired and we could clean up the next day. So I tried to keep it as friendly as possible. Besides, I was sure that some of the curiosity and interest she showed in me was because of my gayness. But deep down, I felt that she might be drawn to me too. We walked back to our homes and shared a long hug as our paths diverged.

Sunday came around and Beth and I were cleaning up from last night, but this time it was easy. We were done in a half hour. Since it was still early, Beth invited me to her home for a glass of wine. Initially I refused because we had work the next day, but she sweet talked me into it. Her townhouse was a little larger than mine and very nicely decorated. I saw a little of each of them in the furnishings. She went into the kitchen while I sat on the sofa and kicked back.

She returned with two glasses of red wine. I was very sure that she was checking me out. She sat down next to me and we spoke about the games, the couples and other things. She told me that while her husband was away she appreciated me being around and keeping her company. I was listening intently and did not realize that the glass was slipping from my fingers. It fell on my blouse and down my skirt. Apologizing for my clumsiness, she showed me to her bathroom. I took off my top and skirt and saw the reddish liquid all over my me. It glistened on my wet breasts, belly and thighs.

When Beth knocked on the door, it opened slightly. She showed me a towel through the small opening. I took it, and in doing so, the door opened wider and I laughed and apologized again. She told me not to worry and she took a step into the bathroom. I could see her looking at me with a yearning in her eyes. She put a second towel on the sink and began to leave the bathroom. Then she turned around and walked back towards me with hesitation. I could see that she was trembling a little. She stood in front of me and looked

at me. I didn't know what to do and just stood there in my wine soaked undies.

Beth touched my neck and drew herself in closer. Then she ran a finger all over my neck and chest putting her arm around me and pulled me to her gently and kissed me. After a few seconds, she let go and looked at me with a confused but expectant expression. I kissed her back and we kissed deeply. She put her arms around my waist and pulled me closer. I looked at her with a little concern and asked if she was sure she wanted this. She kissed my neck and told me she did. She looked into my eyes and slid her thumbs inside my panty and ran them around the elastic. I could feel her thumbs brushing against my mound and my butt. She slowly pushed me towards the sink counter and made me sit on it. It was obvious now she wanted to be in control, and I liked being controlled.

Then she kissed my neck and started going down. When she reached my cleavage, she kissed me between my breasts. Then she started licking the remaining wine drops on my boobs, undoing my bra as she

did. She leaned down a little more and kissed my breasts and then my nipples. And then sucked on them and I moaned softly and encouragingly as her tongue swirled around them. She continued to suck, kiss and gently bite. All I could do was to enjoy. She traced a trickle of wine from my thighs as she sucked and then bit me on her way up. I lightly shrieked and she hesitated. She knew that I liked it. I love it when women nibble on me.

Her head reached between my legs and she continued to bite and suck. Finally, she kissed my pussy over my wet panty. Then she got up and pulled my panty down. I squirmed on the sink counter and she straightened up, took my hand and guided me to her guest bedroom. She told me to lie down and made me watch her undress. Naked, she got in between my legs and we kissed. She held my hands apart and kissed my breasts as she slowly rubbed her pussy against mine. Finally she put her finger inside. Those fingers were working inside me like a little orgasm machines. While she did this, she licked and sucked my clit. I came hard and she liked it. She gave me a few moments and then

got back to work. She spread my legs and held my thighs and started eating me again. I held her hair and pulled on it every time I shuddered.

She would spank my hips and butt when I raised it. It stirred my pelvis with electricity. When I told her that I was about to cum – she stopped. She made me get on my knees and made me lean my chest on the pillows. She worked her way down my back. When she reached my ass, she again nibbled it. Then she spanked my ass, first gently and then a little harder. She licked my cheeks, my crack and kissed my rosebud. She gently tongued inside the hole and slid her finger in. At first it hurt, but slowly loosened me up and kept fingering me at a steady pace while she continued to mouth my pussy and finger it with her other hand. It was so good that I began to moan loudly. Harder and faster her hands and mouth worked. She was building me up to a big climax.

Then I came so hard that I screamed loudly and my juices squirted on her face. She spanked my ass hard one last time and then made me lie on my back. She licked my juices flowing down my thighs and licked my pussy clean. Slowly she lay between my legs and kissed me. I licked my cum off her face and kissed her again deeply. Then she raised her head and gave a naughty smile as I gave her a shy smile. I was hers from now on. She kissed me again and pulled a cool sheet over us. She lay on me, her controlling body on top of mine, our sweats mingling together, her head on my breasts, her stomach against mine, and her waist between my legs. As she slept on me, I slowly fell asleep myself, holding her tight against me.

We hate to say this, but we love to at the same time. Both Andrea and Nina's boyfriends are at a sports bar watching Saturday's college football games with their friends. They'll be there all day and into the night. And they'll probably come home too drunk to fuck. So what are two horny girls to do. Fuck each other, of course. And that's what they decided. So Andrea packed up her personal toys and headed over to Nina's, where she was greeted with joy and excitement.

andrea & nina

WE CAN'T WAIT TO TRY OUT ALL THESE TOYS ON EACH OTHER. IT WILL BE FUN!

So, their Saturday is going to get better and better. At least it will be better than their boyfriends. In anticipation, Nina has her own set of toys and just got a new one for Andrea's visit. A long, pink vibrating, double dong! Now that's not something you see very often. And they can't wait to use it on each other. But they also have a lot of other toys to play with and a lot of free hours to do it. Lucky for us, they invited us over, too and agreed to let us show you their photos and video. Their boyfriends won't mind. They're too busy with eyes glued to the TV.

just eighteen when she made her first video, Melanie quickly became a newbie favorite. Her school-girl looks and healthy sexual libido bundled with a killer body made her a busy girl for a while. She's got all natural boobs, with an all natural smile, a bit of a bubble butt, and a tall frame that can really take a pounding. During a break in this shoot, she told us that she once fucked doggy-style for twenty-two minutes without a break.

melanie

I'M READY TO GO. JUST BRING OUT THAT BIG LENS OF YOURS AND SNAP AWAY!

We asked if it was because her pussy or knees got sore. She said 'no' it was because the guy finally came. She wanted more so she asked the director if there was anyone else who could fuck her so she could finish. She didn't want to wait for the first guy to get hard again. Fortunately, the guy for the next scene was already at the location and he filled in. That was another sixteen minutes before her pussy had enough to finally cum.
